

Primary 7 Newsletter

April- June 2023

We hope that you had a lovely Easter break and that the children are ready to work hard during their busy, final term in Primary 7! This term will be a very busy one, so we hope that this newsletter will give you a flavour of the learning taking place.

Numeracy & Maths

In Numeracy, we are going to be revising our use of the four operations and focusing on how we apply them to a range of written, digital and real life problems. We will also be looking at fractions, decimals and percentages and will practice converting one to another.

In Maths, Mrs Cross will be focusing on measure, calculating area and volume, as well as mapping and co-ordinates.

Literacy & English

Spelling words will continue to be posted on the blog every fortnight as part of Home Learning. These can be practised at home in a variety of ways e.g. coding, drawing a picture, typing, audio recording etc. Reading will continue to happen daily through our class novels and our reading groups will still be taken during Literacy lessons. In our comprehension, we are going to be completing a film study during which we will use digital literacy to further our inferential and evaluative comprehension skills. During our writing sessions, we are going to be focusing on procedure and discussion writing. We will also be writing our own scripts for our Leavers Assembly.

Interdisciplinary Learning

We will be carrying out a variety of science experiments this term to develop our understanding of chemical reactions, acids and dissolving substances.

We will continue to complete a range of transition work sent from each department of Armadale Academy. This will help prepare pupils for the work they will be doing in August.

We will also be using our skills to plan, prepare, write and perform our Leaver's Assemblies which will be held on the last day of term! We are super excited about performing this to you to complete our Primary 7 experience!

Health & Wellbeing

Our PE days are:

P7me Wednesday and Thursday

P7mo Monday and Wednesday

Children should be dressed appropriately for outdoor PE on these days as we will have a mixture of indoor and outdoor activities each week. In PE we will be focusing on striking and fielding games such as cricket and rounders during our outdoor lessons and volleyball during our indoor sessions.

Health will continue to be taught using JIGSAW where the children will be continuing their work on 'Relationships' and 'Changing Me'. This will be led by Miss Melrose.

Additional Information

- Mrs Cross will teach across both classes in handwriting, spelling and maths.
- Miss Melrose will be teaching PE and Jigsaw across both classes.
- Home Learning will be posted on Teams every fortnight.
- The BLOG will be updated every fortnight with a more detailed summary of our learning in school.

Useful Dates

Thursday 11th of May- French Exchange Visit
Mon 15th - Friday 19th of May – School Camp
Wed 14th June- Transition Day 1
Thurs 15th of June- transition Day 2
Fri 16th of June- Transition Day 3
Mon 26th of June- P7 Trip
Tues 27th of June- Sports Day
Wed 28th of June- P7 & P1 Buddy Trip
Fri 30th of June- Leavers Assembly/ Start of Summer Holidays.
