

Windyknowe Primary School

Pupil Equity Funding

Windyknowe Primary School received £66,150 from the Pupil Equity Fund for session 22/23.

Cost of the School Day

The link below will give you information about how we support the cost of the school day.

Staffing

We had 4 more Pupil Support Workers as well as a shared Literacy Pedagogy Officer.

These Support Workers delivered many of the valuable interventions.

Resources and IT subscriptions

These interventions supported the work in the classroom to allow our children to achieve in their learning and reach their potential.

Participatory Budget

This allowed the children to have their say in resources to improve and extend their school experience.
