

Primary 7 Newsletter

April – June 2024

We hope that you enjoyed your Easter break! This term will be another busy one, so we hope that this newsletter will give you a flavour of the learning taking place!

Numeracy & Maths

In numeracy, our first focus will be algebra where we will be learning how to collect like terms and solve missing number equations. We will then be revising our knowledge of using the four operations for more complex problems, including word problems. We will also be working on our mental math skills to prepare us for transitioning to the academy.

In maths, Mrs. Welsh will be focusing on identifying 2D shapes and 3D objects and their properties.

Literacy & English

Spelling words will continue to be given in home learning every fortnight as part of Home Learning. These can be practiced at home in a variety of ways e.g. coding, drawing a picture, typing, audio recording etc. Reading will continue to happen daily through our class novels and our reading groups will still be taken during Literacy lessons. In our comprehension and writing, we are exploring diaries with a focus on recount texts before moving onto discussion texts.

Interdisciplinary Learning

Our IDL permeates through all of our curricular areas. In Science, we will be investigating micro-organisms and creating our own dioramas to showcase our understanding of different animal habitats.

We will also be preparing and practising for our leavers assembly which will take place on the final day of school!

Health & Wellbeing

Our new PE days are:

Monday (indoor) and Tuesday (outdoor)

Children should be dressed appropriately for outdoor PE on these days as we will have a mixture of indoor and outdoor activities each week. In PE, we will be focusing on volleyball during our outdoor lessons and potted sports training during our indoor sessions.

Health will continue to be taught using JIGSAW where the children will be focusing on our topic of 'Changing Me', learning about the changes in the body as we grow.

Additional Information

<u>Home Learning Issued</u>	<u>Home Learning Due In</u>
Thursday 18th April	Wednesday 1st May
Thursday 2nd May	Wednesday 15th May
Thursday 16th May	Wednesday 29th May
Thursday 30th May	Wednesday 12th June
Thursday 13th June	Wednesday 26th June
