January 2025

## Nursery

Happy New Year Everyone, we hope you all had a lovely break. This Term we will be continuing to focus on routines and exploring the outdoor environment with trips to our local Forest. We will also be continuing to use children's voice to plan and create learning experiences. Please continue to share your child's learning at home on SEESAW and send us any achievements they may have from home and we will pop them on our achievement wall.

## Numeracy & Maths

We have been learning about counting forwards and backwards by playing a variety of games and exploring our math resources. We enjoyed Santa Bingo and sorting candy canes into different sizes.

## Literacy & English

We have been enjoying listening to various story books and digital stories on the promethean board. Our Favourite was Stickman. We are all becoming more confident at sharing our likes and dislikes after we have listened to a story.

## Child-led Learning Through Play

We use children's voice to plan our activities and resources.  
Children create their own learning experiences and are encouraged to share their ideas.

## Health & Wellbeing

We are continuing to learn about our Wellbeing characters with a particular focus on Safe Sally. Every few weeks we will begin to explore different characters around the Nursery. Next week we will also begin tooth-brushing which will take place at the beginning of your child's Nursery session.

## Safety

Please remember not to let anyone in the main door, please wait until a member of staff is present.  
The car park is for staff only, please park at the turning circle.

## Additional Information

- We are delighted to welcome Pauline White (PSW) to our team who will work with us from 8am – 12pm Monday-Thursday.

If you have any comments, concerns or questions please feel free to contact us by telephone or email.

Many thanks,  
Mrs Larkman, Mrs Thorpe, Mrs Fleming, Mrs McLeod, Miss Brown, Mrs Kelly, Miss Graham and  
Miss Johnstone
