

# Nursery Newsletter

April 2025

The children have been learning all about Mini Beasts with a particular focus on the life cycle of a caterpillar and worms. They have been exploring our garden, digging and creating homes for worms and have made some wonderful butterfly/caterpillar art work using a variety of resources. We have enjoyed many visits to Meadowvale Care home to see our new friends, the children have enjoyed singing and playing games with the residents. We have also been on many adventures to the woods. Last week we enjoyed some Easter activities including, rolling eggs and we had a special visit from the Easter Bunny.

## Numeracy & Maths

We have been learning about the language of time by talking about our daily routines and learning about the months of the year and days of the week. We have also been looking at different patterns on Easter eggs.

## Child-led Learning Through Play

We use children's voice to plan our activities and resources.

Children create their own learning experiences and are encouraged to share their ideas.

**Please look at our learning floorbooks in the Nursery cloakroom**

## Safety

- Please remember not to let anyone in the main door, please wait until a member of staff is present.
- Please do not open the door to the Nursery playroom, please wait for a member of staff.
- The car park is for staff only, please park at the turning circle.

## Literacy & English

We have been learning to ask and answer questions during story time. We are also being encouraged to write our names on our art work.

We have also enjoyed our Rhyme of the Month "Little Miss Muffet" and we had another lovely visit from Bookbug from Bathgate Library.

## Health & Wellbeing

We have been learning to express our feelings with our peers and adults within the setting. We have been introduced to the Colour Monster story and are beginning to use our feelings check in area in the Sparkle Room.
