

Primary 7 Newsletter

LAST P7 Class Newsletter!

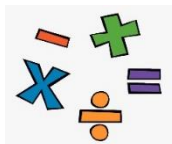

We hope that you had a lovely Easter break and the children are feeling refreshed for their final term ahead!
This newsletter will give you a flavour of the learning planned for this final term.

Numeracy & Maths

Our main topics covered in numeracy this term will be time, ratios and revision of the four operations. We will be taking our learning outdoors with the better weather approaching!

Our maths focus will be 'coordinates', where we will be focusing on how to use a map by reading co-ordinates on an x and y axis.

In Problem-Solving, our focus is 'logic and reasoning' where we will continue to work round our carousel of activities using a range of different strategies.

Literacy & English

Our writing focus this term will be explanations, information reports and discussions. These will tie in nicely to the current issues that we will be talking about in our listening & talking lessons, e.g AI, social media and the war in Ukraine. In Reading, we will be completing various tasks based on our new class novels.

Interdisciplinary Learning

Our main IDL focus this term will be our Leaver's assembly! The children will use all of their expressive art, digital and literacy skills to showcase themselves in a wonderful, last performance! This will take place on the last day – Friday 27th June at 9am sharp!

Health & Wellbeing

P7m will have indoor P.E on a Monday and outdoor on a Thursday. P7s will have indoor P.E on a Tuesday and outdoor on a Thursday. P.E will be taking place outdoors (rain or shine!) so please ensure your child is wearing an appropriate P.E kit and **shoes** on these days.

In class, we will be using our school JIGSAW resource and Zones of Regulation scheme. A handout of our Jigsaw resource will be coming home for you to read.

Additional Information & Dates

- 28th April – 2nd May – P7 School camp
- Friday 9th May – Visit to Sky Academy in Livingston
- 27th and 29th May – Careers fayre afternoons planned by P7 (more info to follow)
